

P939

The P939 is characterised by its mere 34 cm depth, making it installable in small rooms and hallways. It has an aesthetic glass door to better appreciate the beauty of the flame, Multifuoco® System and Multicomfort for maximum comfort, and rolling top, a sliding top for easy pellet loading. With its 10.5 kW it is the ideal stove for heating rooms up to 110 m². Discover all the colours and features.
